ABOUT US

Pranav Foundation is a non-profit grass roots charitable organisation providing state-of-the-art healthcare, education, employment, and technology advancements through engaging workshops, resources distribution and content creation.

We are a team who have a passion for welfare work and compassion towards the suffering of the disadvantaged sections of the society. Pranav Foundation has a clear insight into the education, socio-economic and health issues faced by the downtrodden, underprivileged, and marginalized segments of the communities. The Foundation welcomes collaboration with international donor agencies, corporate, national donor agencies both governmental and non-governmental towards making meaningful interventions for the cause of poor and needy sections of the society. We encourage the people to join hands towards serving humanity.

Pranav Foundation serves as an umbrella for high-value long-term projects.

OUR VISION

"To leave a sustainable world for future mankind and a safer environment"

OUR MISSION

" We aspire to impact livelihood by focusing, engaging and contributing in activities to progress the core elements like Culture, Health, Education, and Environment restoring hope for a better future "

**Help Us Make the World A Better Place!
Join Our Hands To Make a Difference!**

Pranav Foundation Website Launch and Adoption of 4 villages of Agara Grama Panchayth Event On 6th March, 2022

March 6 will be one of the most memorable days for all of us at the Pranav Foundation. The day started with Gurudev Sri Sri Ravi Shankar's blessings and well-wishes for our journey towards our mission of proper waste management in rural areas. A walkathon was organized at daybreak. It covered a distance of over 4-5 kilometers from the Kuppa reddy lake to the core of the Art of Living. This event was hosted in collaboration with The Art of Living and Megha Agrotech Pvt Ltd. Over 600 people took part in the event.

In the presence of the guests and visitors to the program, Gurudev Sri Sri Ravi Shankar launched the official Pranav Foundation Website at the Vishalakshi Mantap.

Pavitra Parisara and Swachha Halli Swachha Desha have always been two of our major projects in line with our central government's Swachh Bharat Abhiyan program. **We are in talks to adopt around 20 villages under this program.** At present, our targeted villages are in and around NH209. We are positive about our innovative efforts to ensure fruitful results. In this project, we would be supported by like-minded individuals and other private institutions. Hence, we would work collaboratively to carry forward our job with success. We are here to create a positive change, and we are sure to achieve it with our collective efforts.

HEALTH PROJECTS

1. Suraksha Plus

This is one of the most thriving projects in the health sector. Our mission is to provide a helping hand to support patients in the times of medical emergencies. We are working towards setting up several step-down hospitals and mohalla clinics, that is enabling us to reach out to more people in the rural areas and offering better health facilities.

We are re-vamping dysfunctional hospitals in the rural regions by taking an innovative measures to provide curative, preventative, and rehabilitative healthcare services. Through this project we have organized covid care center in RMR Park Bommanahalli which has a capacity of 50 beds with oxygen facility. It was the main center of Bommanahalli Zone which came under BBMP sector during 2nd and 3rd wave of corona. This project was supported by SBI, Habitat for Humanity India, ELCIA, Megha Agrotech Pvt. Ltd., and SNN Builders. Following are the key outcomes of this project.

- ▶ 2000+ Covid First Aid Kits distributed
- ▶ 1000+ Kits provided into Kodagu District
- ▶ 500+ Kits supplied to Sullia Taluk of Dakshin Kannada
- ▶ 100+ Oxygen Concentrators dispensed
- ▶ 3000+ Food kits distributed to Covid positive patients

Highlights Of This Project

- ▶ This setup was built just within 15 days of time during lockdown
- ▶ Converted a Shuttle Badminton Court to Covid Care Centre

We have set up a Covid Care Centre in JP Nagar which has capacity of 20 beds with oxygen facility. This center was supported by Habitat for Humanity India. Following are the key outcomes

- ▶ 200+ Covid First aid kits distributed
- ▶ 25+ Oxygen Concentrators dispensed

Both the Covid Care Centers were inaugurated by Bangalore South MP, Shri. Tejasvi Surya, Shri. Satish Reddy (Bommanahalli MLA), local corporators and all our supporters. These covid centers are still existing and fully functional for any emergencies.

Apart from this, we have also distributed 2000+ ration kits during Covid pandemic for rural area of Sullia, Dakshin Kannada District, as per the request from State Minister Shri. S. Angara and also distributed ration kits in Bengaluru for poor women, cab drivers any various ashramas and deprived people.

Covid Care Center, RMR Park, Bangalore

2. Dheergayush

This project protects people living in the rural regions, especially those who are underprivileged, living below poverty line, and are senior citizens. Under this program, we conduct free health campus to assist people with free health check-ups. Key outcomes of this project are;

- ▶ 1000+ public beneficiaries
- ▶ Organized free health check-ups in Government schools, 3000+ student beneficiaries

For this project, we have collaborated with Vidya India Trust and Aster Foundation to provide necessary support to the downtrodden and provide direct assistance through the expert doctors.

Free Health Camp for Govt. School Children & Common Public

Free Health Camp for BBMP Pourakarmikas

ENVIRONMENT PROJECTS

1. Swachha Halli - Swachha Desha

In cognizance of the noble drive started by our honourable Prime Minister of India for Swachha Bharat, we have initiated “Swachha Halli - Swachha Desha” project in January 2022. This is CSR initiative commenced by Megha Agrotech Pvt. Ltd and supported by Art of Living, Bengaluru.

Our cleanliness drive program will be covering rural and urban surroundings. We are working towards implementing waste management, including villages to help the citizens. Following are the key highlights of the project.

- ▶ **Adopted 4 villages** of Agara Gram Panchayat
- ▶ **800+** houses of Vaderahalli, Saludoddi, Navagrama, Lakshmiपुरa
- ▶ Successfully running SH-SD awareness programs in these villages and have adopted **800** houses
- ▶ Installed **4 wet waste to organic manure conversion tanks**

We have two functioning electric autos for garbage collection aligned the “Go green” agenda. This project was volunteered by Aawahana Foundation, Rotaract Club, Disha Bharath, Mission Disha, SSB and several other organizations. Following are the details of the 800+ houses adopted for this project.

- ▶ Houses adopted: 800+
- ▶ Waste collection: average 0.500 gm/day
- ▶ Monthly: 400 kg/month
- ▶ Waste collection frequency: alternative days
- ▶ Total waste collected and segregated between Jan 2022 to July 2022: 12 Ton
- ▶ Co2 to be reduced from each ton waste management: 0.7 to 1.7 ton

Pavitra Parisara Sammilana held at AoL

2. Pavitra Parisara

Pavitra Parisara project is initiated under Swachh Bharat Abhiyan started by our honourable Prime Minister of India. This project is focussing on cleanliness of National Highways, State Highway and Public Parks and have undertaken following areas:

- ▶ NH209 of Kanakapura Road
- ▶ 5 km stretch of Nice Road - exit of Kanakapura road to the Entry gate of AoL.

Launch of Pavitra Parisara Project
By Sri Sri Ravishankar Gurudev

We are working on this project with some of the well-known organizations including Art of Living of Sri Sri Ravi Shankar Ji and Megha Agrotech Private Limited. Following are the highlights of this project,

- ▶ **60 Tons** of garbage removed through different modes
- ▶ JCB & Tractors - **48 Loads**
- ▶ Electric auto - **8 Ton**
- ▶ Walkathon and Plogrun Program - **310 Kgs**

We have 500 actively working volunteers including 10 other NGOs for this project.

EDUCATION PROJECTS

1. Vidhya Guru

Vidhya Guru is aimed at facilitating teachers training programs for all aspiring teachers. We spread awareness of teacher benefit schemes to encourage more and more people to take up this profession.

Currently we are working alongside one government school. We have appointed one teacher from Pranav Foundation, which has benefited **100+** students of Government Primary School Utteri, Bangalore Rural.

2. V- Gyaan

Through V-Gyaan project, we help underprivileged kids with educational supplies to assist in their education. We believe in providing equal opportunities for all when it comes to the academics. We follow holistic educational approach and NEP engagement program to enable the kids' all-around development and provide them direct assistance with all the necessities, stationery and snacks. We ensure that the students will have a carefree learning experience. Following are the highlights of the project,

- ▶ Distributed **100+ reusable pads to Samarthanam**, a Government run school in Hulimavu and also for several other government schools
- ▶ 3000+ students are benefitted with **free medical camp** at Government schools surrounding Bengaluru
- ▶ Distributed **nutrition kits to 100+** women of Wevors Colony Bengaluru
- ▶ Adopted Government primary school in Rajiv Gandhi Nagar, Navagrama, Bangalore Rural District
- ▶ Under this project we have distributed **stationery for 60+ students**
- ▶ Ten Nali-Kali study materials were provided to the school and also donated one computer
- ▶ Conducted awareness program on Swacch Bharath in this school

Nutrition Kit Distribution for Women & Kids of Wevors Colony

3. Smart Shala

ಪ್ರಣವ್ ಫೌಂಡೇಶನ್ ಮತ್ತು ಸೆರಿಯನ್ ಸಂಸ್ಥೆಯವರು ನಮ್ಮ ನ್ಯೂಪಡ್ಡು ಸರ್ಕಾರಿ ಶಾಲೆಯ ಮಕ್ಕಳಿಗಾಗಿ ಕಂಪ್ಯೂಟರ್ ಲ್ಯಾಬ್ ಆರಂಭಿಸಲು ನಿರ್ಧರಿಸಿರುವುದಕ್ಕೆ ಆಭಾರಿಯಾಗಿದ್ದೇನೆ.

- ಪದ್ಮಶ್ರೀ ಹರೇಕಳ ಹಾಜು

Smart Shala is another promising project in the education sector. In our attempt to promote literacy and higher learning among rural kids, we have initiated the Smart Shala welfare program. We have plans to revamp dysfunctional schools in the rural regions to cater to the educational needs of the kids living far away from the cities. Also, plan to implement smart classrooms for better interactive learning experience for the kids. We are developing and installing computer lab for Harekkala Hajabba School in Mangalore. We have also successfully completed stage one of installation of 15 computers and this project is being supported by Ceredian Company.

OUR SUPPORTERS

How Can You Help?

Volunteer: Pranav Foundation would not be where we are now without the incalculable support that we have received from hundreds of volunteers over the years, who come from all over the state to help us with our social movement. You can volunteer with us through.

Contribute your time and experience to become Pranav Foundation mentor to one of our students,

- ⊙ High school/college volunteering
- ⊙ Volunteer, even if it is just for an hour, whether from home or on the field.
- ⊙ Volunteers for Swachh Bharath Abhiyan
- ⊙ Institutional & Corporate Volunteering
